

Fixed Indemnity Policy Notice

IMPORTANT: The Hospital Indemnity benefits outlined on this website are fixed indemnity policies, NOT health insurance.

These fixed indemnity policies may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much the policy will pay each year.
- These policies aren't a substitute for comprehensive health insurance.
- Since these policies aren't health insurance, they don't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- Visit **HealthCare.gov** or call **1-800-318-2596 (TTY: 1-855-889-4325)** to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.
