The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, https://eoc.anthem.com/eocdps/aso. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (800) 496-6132 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$0** for In-Network Providers	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	Yes. $50/individual or $100/family for Prescription Drugs.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical: **$8,600** /individual or **$17,200**/family for Catholic Health Provider and Physician Partners and Empire Tier In-Network Provider combined. Rx: **$2,000**/individual or **$4,000**/family for In-Network Providers for Prescription Drugs.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

* For more information about limitations and exceptions, see **plan** or policy document at https://eoc.anthem.com/eocdps/aso.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes, EPO. See www.empireblue.com or call (800) 496-6132 for a list of network providers. For elective (non-emergency) procedures performed at an in-network facility, services provided by an out-of-network provider are covered only if you complete a federal "Notice and Consent" form before receiving care. Without a valid form, those services will not be covered.	You pay the least if you use a Catholic Health provider. You pay more if you use a provider in in the Anthem-Network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
